Subject: Request for PhilSys Registration Co-location Activity in Schools

Dear Atty Escobarte

One of the strategies of the Philippine Statistics Authority (PSA) to encourage everyone to register at the Philippine Identification System is to collaborate with different institutions including schools

In this regard, we kindly request assistance from your esteemed office to aid us in achieving this objective. We seek your endorsement to engage with different public and private schools in the region and encourage their cooperation in this initiative. We understand that the Department of Education (DepEd) has been our partner since the start of this project. However, this school year, some schools have shown reluctance and are seeking an agreement between PSA and DepEd before engaging in the activity.

We believe that through the engagement of your office, we will be able to conduct co-location with the different schools in the region.

Thank you

Truly yours

SUBJECT : ONLINE STEP 1 REGISTRATION TO THE PHILIPPINE  
IDENTIFICATION SYSTEM THROUGH  
REGISTER.PHILSYS.GOV.PH

DATE : September 29, 2021

---

Recognizing the integral role of the youth in nation-building, the Department of Education (DepEd) offices, schools, and personnel are enjoined to participate in the nationwide promotion of the National ID Program or the Philippine Identification System (PhilSys). The campaign, titled "PhilSys: Ang Digital ID para sa Makabagong Pilipinas," envisions a sustainable, digital, and inclusive society where no Filipino is left behind.

Republic Act No. 11055, otherwise known as the Philippine Identification System Act, mandates the establishment of a central national identification system for all citizens and resident aliens in the Philippines. The PhilSys aims to provide free, valid, and centralized identification with the objective of accelerating financial inclusion, increased access to social and economic opportunities, and the transition to digital transactions that are secure, affordable, and efficient.

For 2021, the goal of the PhilSys program is to register 50 to 70 million individuals. The online Step 1 Registration, which includes the collection of demographic information and appointment setting for Step 2, was made available in 2021. This step utilizes digital networks to ensure the health and safety of the registrants amid the COVID-19 pandemic. Consequently, Step 2 Registration will involve the validation of supporting documents and capturing of biometric information, such as fingerprints, iris scans, and front facing photographs at registration centers. Finally, Step 3 will involve the issuance of the PhilSys Number (PSN) and the physical ID (PhilID).

For more information on the initiative, visit the PhilSys website at [www.philsys.gov.ph](http://www.philsys.gov.ph) and social media accounts at <https://www.facebook.com/PSAPhilSysOfficial>.

Furthermore, questions and concerns may be coursed through Assistant Secretary Rosalinda P. Bautista, Deputy National Statistician of the PhilSys Registry Office of the Philippine Statistics Authority with email address [r.bautista@psa.gov.ph](mailto:r.bautista@psa.gov.ph) or her Office through Ms. Noreen D. Pagkatipunan, Executive Assistant III, with email address [n.pagkatipunan@psa.gov.ph](mailto:n.pagkatipunan@psa.gov.ph).

For your appropriate action.
