**DIR. FRANCIS CESAR B. BRINGAS**

Regional Director  
Department of Education Region IV-A  
Gate 2, Karangalan Village, Cainta, Rizal

Dear **Dir. Bringas**,

The Department of Agriculture IV-CALABARZON (DA-4A) acknowledges the importance of the youth in agriculture, especially now that the average age of the farmers is 57 years old. That is why the Department is eager to encourage more youth to take part and be the future key players in the agriculture sector.

The DA-4A, through its Regional Agriculture and Fisheries Information Section (RAFIS), will conduct a Virtual Information Caravan on Agriculture for the Youth on October 20, 21, 27, 28, and 29, 2021 for the provinces of Batangas, Quezon, Cavite, Laguna, and Rizal, respectively. It is a seminar-webinar hybrid activity wherein resource persons will talk about topics relative to agriculture featuring presentations and discussions, which aims to teach and guide the youth participants on the significance of agriculture as well as encourage them to engage or take up agriculture courses or venture into agriculture.

That said, we would like to ask your good office for assistance in endorsing this activity to junior and senior high schools in the region and to help invite at least thirty (30) students to attend and participate in the activity.

For more details, you may contact our RAFIS Chief, Mr. Radel F. Llagas at 0917-810-3003.

Thank you very much for your support.

Very truly yours,

**VILMA M. DIMACULANGAN**
